VANITY PLATFORMS & FEET

A 2-OPTION GUIDE TO ORDERING PLATFORM VANITIES

Option

1. Ordering as a Grouped Item:

In the "Enter Item" section, enter the platform and feet combination, followed by the vanity size and select the option you would like to order from the dropdown menu (example: "SPTF V24").

Option

2. Ordering as an Add On Accessory:

In the "Enter Item" section, enter "VB", and select the option you would like to order from the dropdown menu.

Select the "Modifications & Accessory" menu

Add your preferred accessory combination (i.e. VPTF)

Convert into a quote to see the full list of modifications that were implemented.

KEY TERMS:

- **VB** - VANITY BASE
- **VDB** - VANITY DRAWER BASE
- **VSB** - VANITY SINK BASE
- **SP** - SHAKER PLATFORM

- Platform Vanities are sold as a vanity accessory. Adding the accessory to vanity cabinet will pre finish side panels to match doors and remove toe-kick for platform.
- Vanity platforms can be sold separately
- Flush Sides is additional modification
